## DIES SUDDENLY IN MINNEAPOLIS

Word Received of the Death of Mrs. Henry Frink

Mrs. Frank J. Kohlhaus received a telegram last evening announcing the sudden death in Minneapolis of her mother, Mrs. Henry Frink who until about one week ago was a resident of Calumet. Mrs. Frink's death followed an illness of two days' duration, the nature of which is not known.

The deceased was born 56 years ago at the Cliff mine location, her maiden name being Mary F. Hocking. She had been a resident of the copper country almost continuously since that time, except for a few years when she resided in St. Cloud, Minnesota. About six weeks ago Mrs. Frink and family left Calumet to join Mr. Frink who had been located in Minneapolis for several months. She was in the best of health when she left this city and the announcement of her demise was a shock to her many friends.

Besides her husband, the following children survive: Charles S. Frink of Minneapolis, the well known violin player; Henry Frink, Jr., and Miss Lydia Frink of Minneapolis, and Mrs. Frank J. Kohlhaus of Calumet.

Mr. and Mrs. Kohlhaus leave this afternoon for Minneapolis to attend the funeral. Although definite advices have not been received it is probable the service will be held either in Minneapolis or in St. Cloud, Minn.
